**STEPS FOR BUDGET REQUEST**

1. On the next page, copy and paste a table for each program your club is hosting or attending. An itemization table for each of the items needed is under the program table. Please add additional rows to the item table for events requiring multiple items. Note\*\* gas is calculated at 53.5 cents per mile.
2. Explain the nature of the program/activity? How will students and/or the campus as a whole benefit by the funding of this proposal? How will the program/activity be advertised to all students? Who is the targeted audience? Please be as specific as possible.
3. Provide an invoice whenever possible in order to justify costs. For example, if your club needs a bus, provide an invoice from the bus company to support the request.

Financial Manager Notes:

All necessary documents required for each item was provided, except for documentation for crystal shop.

Hey Money!

So I went on to Walmart to get the specific pricing of the items listed for the Bath/Shower Melts on the budget. The quantity of each is listed on the budget but I just included the picture of the price for each one. For the trip to Celtic Myth and Moon, we did something like this before (but I doubt it's in the system since Erin didn't really keep any tabs on stuff we did). There are crystals that they sell at the shop, and I tried looking at their website (<http://www.celticmythmoon.com/index.html>) to see if I could find the pricing, but I couldn't find the specific products. When we went in the fall of last year and, each crystal, depending on size was anywhere from \$2-\$5, and we had the intention this year of letting each person who came to pick out one crystal for purchase. Since I don't have specific pricing for this, I understand if it needs to get taken off the budget, and we can just tell our members to bring their own money!

Let me know if this is what you needed, and if you need anything else!
