STEPS FOR REDISTRIBUTION REQUEST

1. On the next page, please fill out both the previous allocated event, and the new redistributed event in the appropriate tables. Please add additional rows to the form table for e-outs requiring multiple items. Note: gas is calculated at \$5.00 per mile.
2. Explain the nature of the program activity? How will students and/or the campus as a whole benefit by the funding of this proposal? How will the program/activity be advertised to all students? Who is the targeted audience? Please be as specific as possible.
3. Provide an invoice whenever possible in order to justify your request. For example, if your club needs a bus, provide an invoice from the bus company to support the request.

Missing invoice for Earth day Dirty Cup, inconsistent costs.

The Coffee Compost is a good idea but more information about responsibility for maintenance (costs) should be provided.
