<p>Program Description: Jerseys are one the biggest expense for the club. This cost will NOT be recurring with the exception of a few new jerseys every other semester for new additions to the club. Jerseys are a vital part of being a team specifically when we travel and compete. Tournaments require that your team all wear the same color, and based on experience this is difficult to achieve if there is not a common piece of attire to wear.</p>

Program Name: Pinnies	Program Location: n/a	Anticipated Number Of Attendees: 48 (4 colors, 12 each)	Total Funds Requested: \$119.62	For Program: Yes	Is This Program Open To The Campus?: Yes	Amount Of Funding From Other Sources: \$0	Program Description: Pinnies are important for practices and future events. Essential for drills and scrimmaging at practices. When we host events in the future we will assign people to teams and give them pinnies so that they easily identify their teammates. Pinnies make for an overall great piece of equipment that has many uses. We selected 4 colors (12 each) so that for practices and events we have the ability to have up to 5 teams (4 colored pinnies and a 5 th team that wears no pinie). This would be a one-time expense, the pinnies would last for years.

Frisbee

Program Location:	n/a	Program Description: Frisbees are the most important expense in our budget because we really can't do anything at all without frisbees. The main equipment for the sport, 100% essential to play. Frisbees are plastic, and they break so that is why we are asking for 20. Enough disks so that 10 pairs can be throwing during practices and drills. Enough disks so that when we host an event we don't have to worry about running out of the only equipment really necessary.
