STEPS FOR BUDGET REQUEST

1. On the next page, copy and paste a table for each program your club is hosting or attending. An itemization table for each of the items needed is under the program table. Please add additional rows to the item table for events requiring multiple items. Note** gas is calculated at 55cents per mile.
2. Explain the nature of the program/activity? How will students and/or the campus as a whole benefit by the funding of this proposal? How will the program/activity be advertised to all students? Who is the targeted audience? Please be as specific as possible.
3. Provide an invoice whenever possible in order to justify costs. For example, if your club needs a bus, provide an invoice from the bus company to support the request.

Program Name:	Berks Chem Society Welcome Back LN2 Ice Cream Social	Program Description: The Penn State Berks Chemical Society would like to introduce the campus community to a fun aspect of Chemistry by hosting a free liquid nitrogen ice cream social. This event would take place once during a common hour, and once during evening/dinner hours to ensure we are reaching both on-campus and commuter students. We would like to host this program in August and September for a total of 4 program slots between the two months. Food services will be used to obtain the materials needed for the program. And a quote has been attached that would allow us to make enough for 70 people at a time. The amount of the quote is multiplied by 2 to allow all students and staff to have ice cream. (See Quote Below. From the Fall 2019 for the Science You can Eat! Liquid Nitrogen Ice Cream Party.)

Program Name:	"Dr. Elizabeth Edmunds, A Life of Service"	Program Description: Students, faculty and staff will have the opportunity to meet Dr. Elizabeth Edmunds, retired Family Doctor, from Reading, PA who began her service first as a nun, then as a nun in the navy in order to earn money for college through military service in order to become a doctor. Dr. Edmunds was the first female graduate from one of Pennsylvania's top medical schools, and one of the first medical schools for women in the country. The speaking event will be open to the whole campus. Students will have the opportunity to learn about her journey through education, as well as her life of service, and her current role as a mentor at St. Catherine of Sienna, a member school of the Berks County You Be The Chemist Challenge hosted annually by the Berks Chemical Society. After the speaking event, students, faculty and staff will have the opportunity to talk with Dr. Edmunds face-to-face over an intimate lunch.

Program Name:	Student Veteran's Association Obstacle Course Ice Cream Party	Program Description: The Penn State Berks Chemical Society would like to support the Student Veterans' Association by sponsoring a Liquid Nitrogen Ice Cream Party after the SVA Obstacle Course games. Food services will be used to obtain the materials needed for the program. SVA's SGA funding request stated that they have an expected attendance of 100 people, so a quote has been attached that would allow us to make enough for 70-100 people. The amount of the quote (for 50 below) is multiplied by 2. (See Quote Below. From the Fall 2019 for the Science You can Eat! Liquid Nitrogen Ice Cream Party.)
Program Location:	Perkins Plaza or Luerssen Lawn	
Anticipated Number of Attendees:	100	
Total Funds Requested for Program:	37.50 x 2 = 75.00 75	
Is this program open to the campus?	YES	

Please list the materials, prices, and item location for the requested event amount below:
